Efforts in the areas of municipal, business & residential  
Subcommittees: formed

- municipal - EPA ENERGY CHALLENGE Subcommittee - Dave, Jim, Doug, Tim  
last Jan you authorised us to go forward with accepting this challenge  
measuring the carbon footprints of town bldgs & reco steps for inc energy efficiency  
collecting data - back 3-5 years...  
meeting scheduled with Chief Lipe have seen Bill Tescher 2 library

also municipal

- GREENPARK Phase 1 Application Subcommittee - Ann, Warren, Ben, Dick  
RPC grant to explore  
no money comes to the town but it is spent on behalf of the town  
met with Theresa Walker of the RPC, and reps from Credere Asso, engineers, and  
Ameresco, a typical supplier

our municipal focus is heavy, since it will impact all of us to reduce our use of expensive, nonrenewable energy

Our businesses will benefit largely from the information we will be able to post on the website and from our experience with the energy challenge, where we can transfer our experience there to help businesses in the area lower their carbon footprint as well

- WEBSITE subcommittee - Maria, John, Jim  
have url and email to the site - show graphic  
will soon have basic site up & running & postng info & links  
first request is clearing house to log into if you're looking to carpool  
Portsmouth, Concord, Newburyport, Boston

Residentisl efforts ongoing with

- PROGRAMS subcommittee - Kathy, Dan, Susan
