

INVITATION TO BID
2016-019 Line Striping and Pavement Markings

I. INTENT

The Town of Hampton, acting through its Town Manager for the Hampton Department of Public Works, in accordance with the provisions of New Hampshire Revised Statutes Annotated Chapter 37, Section 6 and the provisions of the Town of Hampton Purchasing Policy and Purchasing Procedures requests sealed written bids, from qualified contractors for Line Striping and Pavement Markings for the Town in calendar years 2017, 2018, and 2019.

II. INSTRUCTIONS TO BIDDERS

All inquiries regarding the bid document, bid procedure, and any technical aspect may be directed to Frank Swift, Highway Foreman, at (603) 929-5927.

Bidders are requested to submit prices for either Line Striping or Pavement Markings or both.

III. SCOPE OF WORK

The entirety of this work, including all construction techniques, equipment used, and materials utilized shall be subject to all specifications contained in the following sections of the current issue of the NHDOT Standard Specifications for Road and Bridge Construction:

- *Section 632 - Retro reflective Pavement Markings*
- *Section 708 – Paints*

Work to be performed – Painted in each year.

- (1) Approximately 240,000 linear feet 4 inch yellow
- (2) Approximately 180,000 linear feet 4 inch white
- (3) Locations: Line Striping and Road Marks Inventory list

Application of product shall be made during a mutually agreed upon time (weather to be dry). Night time hours will be required for completion of work described. Contractor will be expected to perform work expeditiously, according to a mutually agreed upon schedule and timeframe of services to be completed.

Package A – Line Striping (Section A Line Striping Inventory Attachment #1)

- (1) Payment for Line Striping will be based on the number of linear feet completed.
- (2) Paints shall be manufactured by the Franklin Paint Company or an approved equal; approval must be received before submittal of the Bid proposal.
- (3) The cost per foot of single line for the application of the following types of paint shall be reflected on the bid proposal form for each year.
 1. Premium 100% Acrylic-Based Waterborne Traffic Paint, White
 2. Premium 100% Acrylic-Based Waterborne Traffic Paint, Yellow
 3. Solvent-Based, Chlorinated Rubber, Low VOC Traffic Paint, White
 4. Solvent-Based, Chlorinated Rubber, Low VOC Traffic Paint, Yellow
- (4) All lines shall be painted from a properly equipped truck. The paint products used will meet with the prior approval of the department.

- (5) Centerlines shall be a single or double yellow stripe, as required by the town, each 4 inch width, painted with a coverage thickness of 15 mils.
- (6) Edge-lines shall be a single white stripe, 4 inch in width, and 15 mils thick.
- (7) Fog lines shall be white stripe, as required by the town, each 4 inch width, painted with a coverage thickness of 15 mils.
- (8) All lines shall be painted straight and true.
- (9) Protection of new material from motorists will require cones and a chase truck.

Package B – Pavement Markings (Section B Road Marks Inventory Attachment #2)

The bid price submitted for Pavement Markings shall be by lump sum to perform the work listed in Section B Road Marks – Addendum #2. The price submitted for work performed will be the fixed price under each year, and shall consist of all pavement markings (crosswalks, stop lines, arrows, etc.) to be repainted under this contract.

- (1) Winnacunnet Rd/Centre School Crosswalk shall be white stripe and blue stripe hatch, 12 inch width, and 15 mils thick.
- (2) Town of Hampton Crosswalks shall be white stripes/ hatch, 12 inch width, and 15 mils thick.
- (3) Requirements are for a truck mounted spray unit and crew to apply water based paint or solvent-based chlorinated rubber paint, using stencils and borders to repaint to the existing shape and dimensions of present markings using the following paint type:
 1. Premium 100% Acrylic-Based Waterborne Traffic Paint, White
 2. Premium 100% Acrylic-Based Waterborne Traffic Paint, Yellow
 3. Premium 100% Acrylic-Based Waterborne Paint, Blue
 4. Solvent-Based, Chlorinated Rubber, Low VOC Traffic Paint, White
 5. Solvent-Based, Chlorinated Rubber, Low VOC Traffic Paint, Yellow
 6. Solvent-Based, Chlorinated Rubber, Low VOC Traffic Paint, Blue
- (4) Protection of new material from motorists will require cones and a chase truck.
- (5) Reflective glass beads shall be required on all lines.
- (6) All lines shall be painted straight and true.
- (7) Note that the inventory list may not be completely accurate and is subject to change; additions may be necessary. Changes or additions if necessary will be discussed with the contractor.

IV. SCHEDULE OF WORK

All work to be performed within the Hampton Beach Precinct must be completed before Memorial Day weekend in each year.

All other work performed must be completed by October 15th in each year.

Upon the execution of the contract, the successful bidder shall coordinate the scheduling of all work with the DPW Director or his designee. At minimum, DPW will be given one (1) week notice prior to commencement of any work.

Night work arrangements must be made in advance with the DPW Director or his designee.

It is understood that weather or other unforeseen conditions or acts of God may delay the work. In such cases, the successful contractor will work with the Town to schedule a mutually acceptable start date and completion date.

V. LIQUIDATED DAMAGES

The contract as awarded will contain a liquidated damages clause to the effect that a one-hundred (\$100.00) dollar per day penalty will be assessed for each day beyond the scheduled completion dates Memorial Day of each year for the Hampton Beach Precinct and October 15th in each year for all other work that the job is delayed, due to other than weather conditions. Such late penalty shall be deducted from the payment for the work by way of liquidated damages.

VI. WORKMANSHIP AND INSPECTION

All work under the resulting contract shall be performed in a skillful and competent manner. The DPW Director or his designee reserves the right to perform random and periodic inspections at any time to ascertain the selected contractor's quality of workmanship and compliance with the contract requirements.

Any deficiencies identified by the DPW Director or his designee during the performance of work as specified in Section III. Scope of Work shall be corrected at the time of notice, and at the expense of the selected contractor.

VII. CORRECTION OF DEFECTIVE WORK

The Town of Hampton shall require the correction of defective work. In the event the work performance of the selected contractor is unsatisfactory, the selected contractor will be notified by the DPW Director or his designee and be given five (5) working days to correct work, and unreasonable delay in the performing of corrections may be grounds for termination of the selected contractor. Upon failure of the selected contractor to correct work, the Town of Hampton shall withhold any amount necessary for the correction of work from payments due, in order to correct the deficiencies.

There will be no cost to the Town for any re-works/corrections.

VIII. WARRANTY LAW

All Federal and State Warranty Laws apply to the materials and installation.

IX. CHANGE ORDERS

The selected contractor shall not proceed with work and materials that are not included in the bid proposal and contract requirements and specifications without written prior approval of a change order by the DPW Director or his designee.

X. CONTRACT AGREEMENT

The successful contractor selected through the award process will be required to enter into a contract agreement with the Town of Hampton and to execute the contract agreement within two weeks of the date of award, unless prior arrangements are made with the DPW Director or his designee. This document 2016-019 Line Striping and Pavement Markings, Bid Proposal Form and any associated documents shall become part of the contract.

The selected contractor and/or its personnel shall not represent themselves as employees or agents of the Town of Hampton.

XI. DURATION

The successful contractor selected through the award process will be required to enter into a three year contract agreement with the Town for Line Striping and Pavement Markings.

The contract will be for a three (3) year period beginning April 30, 2017.

For each year 2017, 2018 and 2019 funding will be subject to appropriation by the Town Meeting.

XII. USE OF SUBCONTRACTORS

The use of subcontractors shall not be allowed under the awarded contract.

XIII. SAFETY AND TRAFFIC CONTROL MEASURES

The selected contractor shall employ all measures and procedures of safety and traffic control applicable by local, state, and/or federal laws during the performance of services.

The selected contractor will be held responsible for all damage to the work from pedestrians, animals or any other cause due to lack of adequate controlling devices.

If the DPW Director or his designee deems that a police detail is necessary, the selected contractor shall contact the Hampton Police Department to arrange for the police detail. A minimum of 24 hours shall be given to the Hampton Police Department for the arrangement of or cancellation of a police detail. The selected contractor shall inform the DPW Director or his designee of all police detail arrangements. Police details shall be paid by the Department of Public Works.

Failure of the selected contractor to perform the requested work on the day they have arranged for a police detail without calling the Hampton Police Department to cancel, shall result in the police detail being paid for by the selected contractor.

The selected contractor shall inform the DPW Director or his designee of all police detail arrangements.

XIV. PAYMENT

Payment will be made within 30-days of receipt of the submission of a completed invoice for the services billed in writing, with approval signoff of the DPW Director or his designee. Payment of each invoice shall automatically releases any lien that the invoice may have provided against the Town.

Payment will be made only for actual work performed and accepted in accordance with the contract. Any scheduled item of work to be done and materials to be furnished may be increased, decreased, or omitted by the DPW Director or his designee, and no claim for loss, anticipated profits, or costs incurred in anticipation of work not ultimately performed will be allowed due to such increase or decrease.

Invoicing Instructions. All invoices shall include the following information:

- (1) Company Name
- (2) Location of work
- (3) Date work was completed
- (4) Brief description of services rendered
- (5) Contract number

(6) Hourly rate charged

(7) Rates for materials

XV. NON-ASSIGNMENT

Neither the selected contractor nor the Town shall assign, transfer, convey, or otherwise hypothecate the contract or their rights, duties, or obligations hereunder, or any part thereof without the prior written consent of the other, which consent shall not be unreasonably withheld.

XVI. INDEMNIFICATION

In accepting the awarded contract, the selected contractor agrees to hold harmless and indemnify the Town of Hampton and its officers, agents, and employees from any liability and any all claims, suits, damages, and attorney’s fees and costs, arising from the work to be performed or the services to be provided.

XVII. LAWS, PERMITS, AND LICENSING

It shall be the successful bidder’s responsibility, and anyone employed by the selected contractor to adhere to and comply with all federal, state, and local laws, regulations, and codes, as well as with all standards and practices relating to the work being performed or the services provided. In addition, it is the successful bidder’s responsibility, and anyone employed by the selected contractor to procure and keep in effect any and all licenses, permits, notifications or other regulatory requirements relating to the work to be performed or the services to be provided.

XVIII. TERMINATION

The Town of Hampton acting through the Town Manager retains the right to terminate and dismiss the selected contractor for non-performance, or poor performance with five (5) working days’ notice. Additionally, the Town of Hampton acting through the Town Manager reserves the right to negotiate a contract agreement with the next qualified contractor for completion of the work.

XIX. INSURANCE REQUIREMENTS

The insurance required for the award of the contract shall provide for adequate protection of the selected contractor against damage claims, which may arise from work under the awarded contract, whether such work be by the insured or by anyone employed by him, and also against any of the hazards which may be encountered in the performance of the work.

The following coverages are required in order to be awarded the contract:

1. General Coverage

To be eligible to be awarded the contract to perform the work required, the selected contractor shall submit to the Town a current certificate of insurance for General Liability; Automobile Liability; Excess Liability; Property Liability (All risk including Theft & Fire) from a company licensed to issue such insurance in the State of New Hampshire in the following amounts, which shall be maintained during the life of the contract (excess or umbrella coverage may satisfy requirements).

Each Occurrence	\$2,000,000.00
General Aggregate	\$2,000,000.00

2. Workers' Compensation

To be eligible to be awarded the contract to perform the work required, the selected contractor must submit to the Town a current certification of Workers' Compensation Insurance in accordance with the provisions of New Hampshire law from a company licensed to issue such insurance in the State of New Hampshire in the following amounts, which shall be maintained during the life of the contract (excess or umbrella coverage may satisfy requirements).

Coverage A	Statutory
Coverage B	\$2,000,000.00

3. Cancellation of Insurance

The cancellation of any insurance held by the selected contractor will automatically cancel any contract. Each insurance policy shall contain a provision that the certificates of insurance shall not be altered or cancelled except with 10-days written notice to the Town of Hampton.

The Town of Hampton shall be named as an additional insured on the insurance certificates.

XX. SUBMITTAL REQUIREMENTS

All prospective contractors are expected to carefully examine the Invitation to Bid and all its sections, and any attachments, and any addenda distributed before submitting a bid proposal. Failure to do so will not relieve the successful contractor of the obligation to furnish all equipment and labor necessary to carry out the provisions of the Invitation to Bid.

The submission of a bid proposal shall be considered prima facie evidence that the contractor has made such examination and has taken into account the Town's intent. . Failure to comply will be reflected in the evaluation of the bid, and may result in disqualifications of the bidder.

All costs related to the bid proposal preparation and/or submission will be borne by the contractor in responding to this Invitation to Bid or in responding to any request for interviews, additional information, etc. prior to the issuance of a contract.

Any Bid proposal which is incomplete, conditional, or obscure, or which contain erasures, alterations or other irregularities of any kind, or in which errors occur or contain abnormally high or low costs, may be rejected.

The completed Bid Proposal Form must contain the full name of the company and the address. Failure to manually sign the Bid Proposal Form will disqualify the submitting bidder. The person signing the Bid Proposal Form shall show title or authority to bind the Company in a contract agreement.

The cost shall be stated in both words and figures on the Bid Proposal Form. All words and figures shall be written in ink. In case of a discrepancy between the figures and the words, the written words shall govern.

All submitted Bid proposals shall be sealed and shall contain one (1) original and two (2) copies of the completed Bid proposal package. This includes this entire document, including the Bid Proposal Form, all attachments, and any addenda distributed.

All bidders are required to provide the following information with their submissions, and in the order that follows:

1. Original and two (2) copies of the Invitation to Bid

2. Bid Form and all attachments
3. Summary of Qualifications
4. A list of current clients (a minimum of 3)
5. A list of three (3) references for which comparable services have been performed. This list shall include company name, person to contact, address, and telephone number. Failure to include references will be ample cause for rejection of proposal as non-responsive. Preferred references include other local government agencies.

XXI. RETURN OF SEALED BID PROPOSALS

Sealed Bid Proposals will be received until 2:00 PM on Tuesday, November 1, 2016 at the Town Manager's Office, 100 Winnacunnet Road, Hampton, NH 03842. Sealed bid proposal envelopes must be clearly marked "2016-019 Line Striping and Pavement Markings."

No faxed or emailed Bid proposal or faxed or emailed withdrawals of the Bid proposal will be permitted. If a withdrawal is made in either fashion, it will be destroyed upon receipt.

A prospective bidder may withdraw its Bid proposal, upon request to the Town Manager before the time of opening; the Bid proposal will be returned unread. At the Town's discretion, late Bid proposals may be returned to bidder unopened.

6. Correction or Withdrawal of Bid Proposal and Cancellation of Awards under Competitive Sealed Bid.

Correction or withdrawal of inadvertently erroneous Bid proposals before or after award, or cancellation of awards or contracts based on such Bid proposal mistakes, shall be permitted at the Town Manager's sole discretion. However, no changes in the proposed cost(s) or other provisions of the Bid proposal prejudicial to the interest of the Town or fair competition shall be permitted. Except as otherwise provided by regulation, all decisions to permit the correction or withdrawal of a Bid proposal, or to cancel awards or contracts based on errors or omissions, shall be supported by a written determination made by the Town Manager or his/her representative. No Bid proposal may be withdrawn when the result would be to award the contract to another Bid proposal of the same Successful bidder(s) or of another Successful bidder(s) in which the ownership of the withdrawing Successful bidder(s) is more than five percent. If the Town Manager or his designee denies the withdrawal of a Bid proposal, he shall notify the bidder in writing stating the reasons for his decision.

XXII. DISQUALIFICATION

A bidder may be disqualified and their Bid proposal rejected for either of the following reasons: 1) failure to supply complete information as requested by this Invitation to Bid or 2) evidence of collusion among other bidders. Any Bid proposal(s) so rejected for reason #2 will disqualify the bidder(s) involved from consideration in future dealings with the Town.

XXIII. PURCHASING POLICY APPLIES

The Town of Hampton's Purchasing Policy and Purchasing Procedures in Chapter 718 of the Hampton Code applies to any Bid proposals received hereunder.

XXIV. AWARD

The award will only be made after evaluation of all Bid proposals submitted. The award is expected to be made within (10) ten working days of the Bid opening. The award of this bid shall in no way guarantee any amount of work to the successful bidder.

The award will be made to the most responsive and responsible Bid proposal that meets the specifications contained herein on a total cost basis, with terms viewed as most favorable to the Town of Hampton, and the satisfactory negotiation of a final contract.

The lowest cost proposal may not necessarily be selected, as the Town will also weigh the factors set forth in Section 718-4 to reach a final determination. Lack of experience of prospective bidders may be grounds for their disqualification in the award process.

The Town acting through the Town Manager reserves the right to reject any, or all Bid proposals, to waive any informality of the Bid proposals received, to omit any item or items and/or to accept any Bid proposal as he may deem to be in the best interest of the Town. The decisions of the Town Manager shall be final.

XXV. NO RESPONSE REQUEST

It is requested of all prospective bidders that if they will not be submitting a Bid proposal to submit a letter of no response to the Town of Hampton.

XXVI. POSTING OF BIDS

This Invitation to Bid and any attachments, and any addenda distributed are posted on the Town's website at <http://hamptonnh.gov/wp-content/uploads/Townmanager/Forms/RFP>

All prospective bidder(s) seeking to submit a Bid proposal are requested to inform the Town of Hampton by email at inquiries@town.hampton.nh.us that they have obtained the Invitation to Bid from the Town's Website. Please provide your name, address, phone number, and email address. This will enable the Town of Hampton to forward any addenda distributed and/or additional information that may be required for compliance with the Invitation to Bid document.

XXVII. GOVERNING LAW AND VENUE

This Invitation to Bid, the Bid proposal form, and the contract agreement to be entered into shall be governed by the statutory and common laws of the State of New Hampshire and venue shall lie in the State Courts of the State of New Hampshire as to any dispute.

BID PROPOSAL FORM

Town Manager
 100 Winnacunnet Road
 Hampton, NH 03842

The bidder shall specify here in figures and words the pricing for performing the work in years 2017, 2018, and 2019 for Package A – Line Striping and Package B – Pavement Markings.

In the case of a discrepancy between the figure amounts and the words, the written words shall govern.

The unit cost to the Town shall be on the basis of per foot of product applied. All unit costs shall include all equipment, materials, labor, labor cost, machinery, and tools incidental to the performance of the work.

In accordance with the specifications, the undersigned hereby submits the following costs.
