

Hampton Conservation Commission
Site Walk
Saturday, September 21, 2019
9:00 AM - 11:00 AM

1. **56 Island Path** - Raise home on helical pile foundation to be compliant with floodplain regulations.
2. **67 Hobson Ave** - Construction of 8'x10' shed in the back, southwest corner of property.
3. **23 Thornton St** - Add a second story to the existing one-story house on the same footprint and replace a paved driveway with pervious pavers and landscaped areas.
4. **27 Pearl Street** - Install walkway to the front door with permeable pavers. Install patio off back door w/ permeable pavers. Protect wetland area with native plants.
5. **15 Robin Lane** - Raze existing house and replace with a new manufactured house.
