

**(As Petitioned)**

To see if the Town will vote to raise and appropriate the amount of \$4,200 for Lamprey Health Care Senior Transportation Program LHC Senior Transportation provides senior citizens and disabled Hampton residents rides to medical appointment. In addition the drivers plan a weekly shopping trip and a monthly day-long recreational outing. These trips are not only rides to essential services, but a great opportunity for our riders to socialize and also allows them to remain independent in their homes.

We ask that you sign this petition to support our request for an additional \$200 funding for this needed service.
