

Hampton Master Plan Update Municipal Staff Questionnaire

The Town of Hampton received a grant from the State for developing a vision statement and coastal management content for the Master Plan Update. This plan is intended to look forward ten to twenty years when considering Hampton's future.

The following questionnaire has been designed to gather some preliminary information before we commence working with the Steering Committee.

Hampton Master Plan Update Municipal Staff Questionnaire

Basics

Tell us a little about yourself.

1. Name

2. Department

3. Role

4. Years in Current Role

5. Years Working for or Living in Hampton
