

**Addendum #1**  
2017-004 Asset Management Platform RFQ

References:

III. Scope of Work – Characteristics

VII. Submittal Requirements – Note ‘e’

Clarification concerning “Windows based” platform:

- Proposed solution needs to work on desktop computers which run Windows operating system.
- **HOSTED WEB SOLUTIONS ARE ACCEPTABLE.**
- There is potential to use Apple, Android, Windows, etc. tablets in the field.
- Solutions that are exclusively for iOS equipment (iphone, ipad, etc.) are NOT acceptable.
